Sir:

Responsive to the Office Action, mailed August 28, 2002 ("Office Action"), Applicant respectfully requests consideration of the below amendments and remarks.

IN THE CLAIMS:

Please amend claim 18 as follows:

--18. (Twice amended) A film comprising at least one layer of amorphous or semi-crystalline polyester obtained from the condensation of a diacid component comprising terephthalic acid with ethylene glycol and a diol component comprising at least three carbon atoms, and at least one layer of polyolefin, and further comprising a plane of symmetry which is parallel to said film, said symmetry applying both to the geometry and to the composition of said film, said film being for wrapping objects and being capable of substantially retaining its shape.

REMARKS

Entry of the foregoing and reexamination and reconsideration of the subject application, as amended, are respectfully requested.

The Office Action has been received and carefully considered. Applicant respectfully requests entry of the above amendment to claim 18. No new matter is added as a result of this amendment. Support for the amendment may be found at least on pages 2, 5 and 8, and
